About the Keith Steptoe Classic Golf Tournament

Keith Steptoe acquired leukemia in 1992 at the age of twenty-seven, and passed away shortly thereafter. Keith grew up in Carthage, graduated from Carthage High School and was known by most residents of Carthage.

Since the inception of *The Keith Steptoe Classic* in 1994, we have given several hundred thousand dollars in scholarships and Leukemia Research! We have also donated \$166,076 to the Carthage ISD Education Foundation.

Our scholarships are awarded to Carthage High School seniors who wish to pursue a vocational or technical type of education. We make every effort to channel these scholarships to deserving students who truly need financial assistance, and have a true desire to stick with their educational goals.

This golf tournament is a benefit tournament, and it is intended to provide a way for those who want to be involved, not only to have a good time, but to be a part of something very positive! The success we have will be a result of the support of the community.

We would like to
thank these sponsors:
